*Because of you, these children were
saved from near death to life & hope*

Thank you for being faithful in these and many other children's and widows' lives. Your faithfulness to give, to sponsor, to pray through this difficult year made a BIG difference!

Because of you;

- ***The High School is fully constructed and will hopefully start on January 10, 2022.***
- ***Many have been treated for many diseases through our Medical Center.***
- ***Staff trained to start a pregnancy resource center scheduled to open February 2022.***
- ***Supply of educational needs to over 700 children every week has continued.***
- ***Feeding the children, their families, and even some of the neighbors every week continues.***
- ***Children are safe from Covid & other diseases***
- ***The gospel has been spread in community of Rakai through our children & staff.***
- ***The Junior School is ready to receive back all the children when schools reopen in January.***
- ***Looking forward to an even greater 2022 for this ministry and for all of you. We send our blessings to you and yours.***
